

Thank you for your booking on **10th-11th April Easter AM** Holiday Course.

The following is important information about the course. If you have any questions, please email martin@hrcst.org.uk or call the office on 07555 785102.

Meeting Points

The Meeting Point for the North Bank will always be Ferryboat Beach, Helford Passage.

The Meeting Point for the South Bank will be the Stone Quay at the head of the pontoons at Helford River Sailing Club.

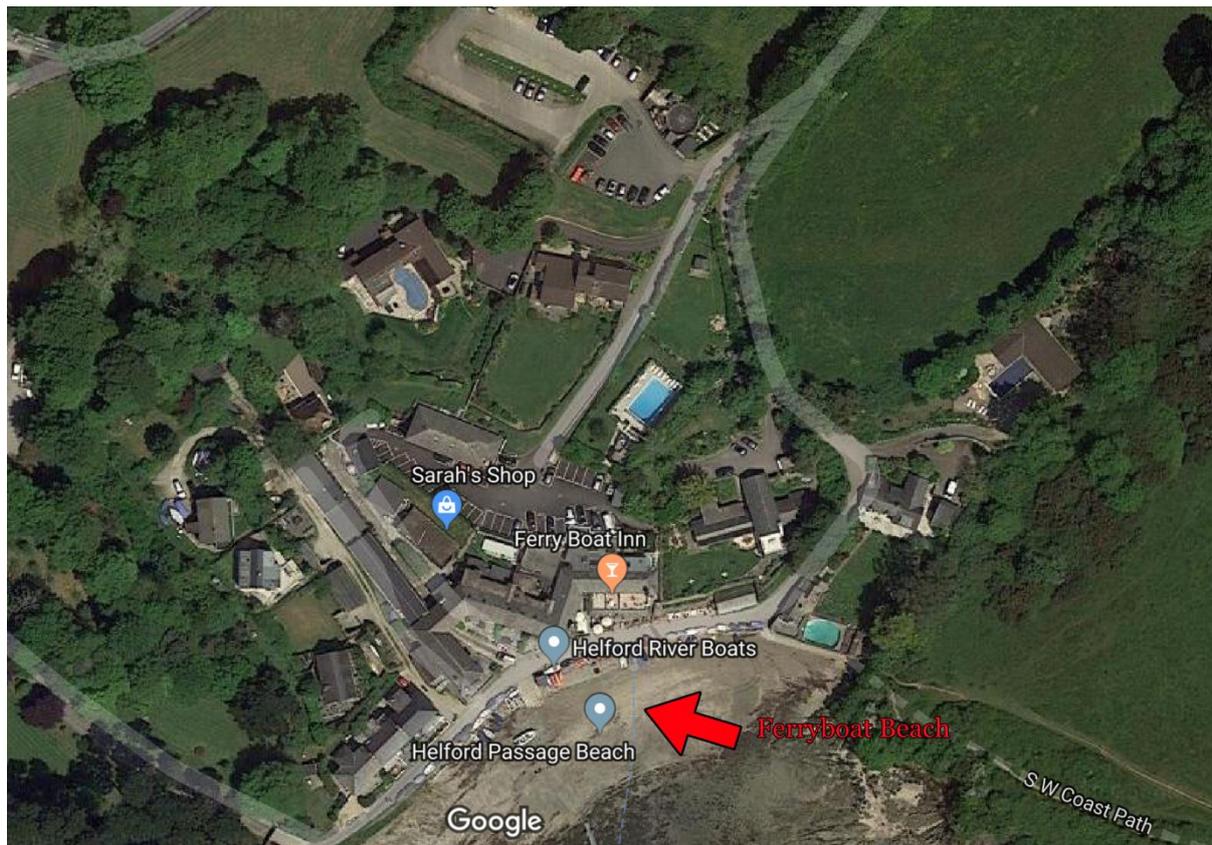

Please see the maps below for clarification on locations.

Here we shall fit the sailors with HRCST Buoyancy Aids (they may wear their own if preferred). We shall then transport the sailors by boat to our operating beach for that day.

We will return promptly at 12:30pm. Please ensure you arrive in good time to collect your children – Tractors and slow moving vehicles are common on the local roads.

Please note that we require you to collect your children from us on the beach/quay for their safety.

North Bank Map

South Bank Map

Notes for South Bank Locations

Please wait on the stone quay at the head of the pontoons leaving a clear walkway through for HRSC members. The car park and facilities at the sailing club are for members use only. We are guests on their property. Please ensure that our impact on club members and staff is kept to a minimum. Holiday membership of the sailing club is available for those who wish to use these facilities.

What to bring

Please ensure that all sailors arrive in wetsuits and are fitted with sturdy footwear that they can get wet (not flip-flops/crocs!). Lightweight windproof jackets that can get wet are a good idea particularly if the wind is high or rain is forecast. Hats and gloves are also good if particularly susceptible to cold. You can keep an eye on the weather at <http://www.xcweather.co.uk/forecast/Helford>.

Communications

If you need to report an absence you can reply to this email or call/text us on 07393 548761. Please try and notify us as early as possible as it may affect operational decisions.

We're very much looking forward to welcoming you to the river in a couple of weeks time!
